JULY 2013

Happy Summer—Happy July 4— the USA Independence Day!

A friend said this, “The Christian life is not a struggle to achieve God’s will, but rather confident rest in His faithfulness to do all He promised!”

We rest in God’s faithfulness to reach the multitudes through us this summer—through our local church, our Faith Ministries International Network, and our traveling ministry!

Right now, the Navajo Nation Camp Meeting is happening in Ganado, Arizona, with large crowds experiencing God’s power, love and grace! Dave excitedly exclaimed, “The power is up!”

The FM Staff is gearing up for the U.S. Youth Camp, July 1-5, in Colorado, with kids coming from across this nation. Campers will experience God’s love and power and Dave will show them how to release it to others!

Then Europe will be rocked with explosive power at Heal the Nations in London, July 24-28. Africa is next with powerful meetings in El Doret and Meru, Kenya, East Africa, July 31 – August 4!

We end the summer season with all men, ages 13 and up, gathering for the FMIN Men’s Encounter in beautiful Colorado, August 30 – September 1.

Your faithful financial gifts help make this happen! How exciting that together we are impacting the entire world with God’s great love, power and grace! Thank you!

We love and appreciate YOU,

Dave and Bonnie
